## From the desk of the Principal

Dear Parents,

We are excited to introduce "JUBILEE", the newsletter of SEA Primary and Higher Secondary School. This publication aims to keep you informed about the happenings and events at SEAPHS. The name "Jubilee" commemorates our Silver Jubilee year.

June can be a challenging month for parents and teachers, but it's a time of excitement for our students.

With challenges and excitement June carried a lot of memorable events. We have had a variety of programs, mostly during assembly hours, and were thrilled to share them with you through this newsletter.

A highlight of this month was the visit of our alumni to the assembly, where they shared their experiences and inspired our students. We encourage students not to miss the assemblies which help to see the enthusiasm and growth of our students.

As we look ahead, please be informed that Formative Assessment 1 (FA 1) will commence on July 3rd. We urge all students to prepare well .

Wishing you and your child all the best.  
Good Luck. God bless us.

Principal  
Mrs. Asha.A
